

## IT IN THE MILITARY

Making IT Happen for our clients. Happy Memorial Day from Sayers!

Welcome to our May newsletter, a special edition dedicated to the brave hearts of our nation. As we approach Memorial Day, we take this opportunity to express our deepest gratitude to the valiant veterans of the United States military. Their unwavering courage and sacrifice have shaped the freedom we cherish today, and for that, we honor them in this month's reflections.

In the spirit of Memorial Day the Sayer's team did a deep dive on IT in the military over time. Did you know Cryptology was heavily used in battle over history? The military has been using Cryptology, or coding, for security and strategy for years.

Learn how the military's use of cryptology has developed over the decades!
